A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The IDS filed 5-8-2006 has been reviewed. The prior art of record does not teach or suggest all of the limitations of the allowed claims. A translation of the reference cited in the IDS filed 5-8-2006 has been obtained and cited in the list of references cited, does not teach or suggest the limitations "wherein a portion of at least one of the power requirement and the external signal requirement is supplied through the first package substrate and a remainder portion of at least one of the power requirement and the external signal requirement is supplied through the second package substrate."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
